About Institute

The Priyadarshini College of Engineering, Nagpur, one of the leading Engineering Colleges in the progressive and most competitive State of Maharashtra, established in 1990, has been conferred "A" grade by the Government of Maharashtra on the basis of distinct infrastructure and academic achievements. Mechanical Engineering, Computer Technology, Electrical Engineering, Electronics Engineering, Electronics and Telecommunication Engineering, Information Technology are accredited by National Board of Accreditation, New Delhi for Three years. The college successfully continues to attract outstanding scholars from all over the Indian sub-continent. The set up of Priyadarshini campus on a sprawling 72-acres hilly terrain at Nagpur – the orange city, is situated at the heart of the Country. The Unique Features are number of Elegant and spacious buildings, Olympic Standard Swimming Pool, Extensive Indoor Stadium, Modern Gymnasium, Lively Cafeteria, Planned Landscapes with Lush Green Lawns and Fountains, Good Network of beautifully designed Internal Roads, Street Lighting, Jogging Tracks and playgrounds, Parking Areas, Independent Library building, Corporate office, Roadside Arboricultural.

From Editor's Desk

Dear Readers,

Thanks to the vision and thoughtfulness of the Management, especially our Chairman, Dr Satish Chaturvedi, Secretary Mrs. Abha Chaturvedi , Director,Governing Board Shri. Dushyant Chaturvedi, Director Mr. Abhijeet Deshmukh and Dr. M.P.Singh, Principal, we are pleased to launch the latest venture, **ELIXIR**.

We do wish to express our indebtedness to the Management for reposing confidence in us by handing over the responsibilities of its Editorship. Its aims and objectives are to play the role of a mouthpiece of the academic and extra-academic activities of the civil engineering department like report on extra activities of departmental, guest/invited lectures, workshops, interesting case reports and short original articles, etc. All said and done, on behalf of the Editorial Board and on our own behalf, we take this opportunity to present to you the new issue of ELIXIR. Undoubtedly, we promise to provide yet better reading material in the subsequent issues. We seek your feedback and cooperation that shall be paramount in bringing real "quality" and "excellence" to the Elixir. Wishing you all an enjoyable reading.

Dr.S.A.Dhale
HOD,Civil Engg.
shri_dhale@rediffmail.com

Dear Readers,

I am delighted to present the annual departmental magazine which has been highly eventful and one of the most memorable year. The annual magazine is a mirror that reflects all round development of the department. Our department has made all efforts to instill the qualities such as courage, devotion, integrity and punctuality along with technical knowledge. It is surely a platform for creative minds to express their talents. It is a series of contributions from faculties and students of Civil Department.

I am thankful to all my colleagues and students who made the annual magazine a grand success. I would also like to thank the HOD, Dr. S.A.Dhale, wholeheartedly who has been a constant support and encouragement.

I would also like to thank our honorable principal Dr..M.P.Singh and Vice principal Dr R.V.Kshrisagar for their able guidance.

Wish you all a very good luck.

Ashutosh Raj

Student Magazine incharge

Time and again people have asked the recipe of good work. My answer has always been faith in our own self. Nobody can help us better than our ownself. This magazine is the hard work of my fellow buddies & seniors, my awesome faculties, our HOD sir and our Principal sir. The faith that they put in my hands are huge and I m so happy and proud with the outcome of the magazine.I thank all the faculties, Magazine Incharge Prof.(Mrs.) P. S. Bhandari, our HOD , Dr.S.A.Dhale, our Principal sir, Dr. M.P.Singh. Have a look at our hard work....

PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

VISION OF THE INSTITUTION:	MISSION OF THE INSTITUTION:
To become one of the India's leading engineering institutes in both education and research. We are committed to provide quality and State of the Art technical education to our students, so that they become technologically superior and in turn contribute for creating a great society.	We commit ourselves to the pursuit of excellence in technical education and promise to uphold the spirit of professionalism to serve the humanity.

DEPARTMENT OF CIVIL ENGINEERING

VISION OF DEPARTMENT	MISSION OF DEPARTMENT
To impart knowledge and excellence in civil engineering and technology, enhancing research quality with global perspectives to make ethically strong engineers to build our nation.	To produce competent civil engineers with technical & managerial skills, research quality and ethical values to serve the society and nation. To make the department a centre of excellence in the field of civil engineering.To provide knowledge based consultancy services to the society in various areas of civil engineering.

Programme Educational Objectives:

The Civil Engineering program subscribes to the following Program Objectives:

PEO1- Plan, analyze, design, construct, manage, advance and maintain various systems in civil engineering

PEO2-To achieve excellence & pursue professional licensure and certifications

PEO3- Engage in life-long learning and pursue advanced level studies

PEO4- Career advancement & demonstrate managerial skills through active participation in the civil engineering profession to serve the society

DEPARTMENT OF CIVIL ENGINEERING

Civil engineering is a professional engineering discipline that deals with the design, construction and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams and buildings. Construction and housing sector have become the major growth drivers in the Indian economy. The Civil branch is gaining more importance due to the need to create structures and buildings' resisting to earthquake and other natural calamities, with this in mind the Civil Engineering department is started. Civil Engineering Department was established in 2008. The intake of UG program is 60. The department envisages to create world class civil engineers. The department has highly qualified staff with research and industrial experience. The department is equipped with the required infrastructure and the state-of-the-art laboratories. The students of the department also excel in the University and secure merit ranks every year.

FACULTY ACHIEVEMENTS

DEPARTMENTAL EVENT

Blood Donation Camp organized at PCE

Department of Civil Engineering, Priyadarshini College of Engineering, Nagpur conducted a blood donation camp recently for the cause of humanity under the banner of forum "FORCE". There was a massive response from the donors who came forward in large numbers. The overwhelming and amazing response and growing participation, especially by girls is a sign of awareness and responsibility towards society. In all, 160 students donated blood. The camp was conducted by Dr. Hedgewar Blood Bank, Dharampeth, Nagpur on the occasion of Death Anniversary of Lokmanya Tilak. Donors were rewarded with certificates from the blood bank.

Head of Civil Department Prof. S.A.Dhale, Dean Academics Dr. H.V.Hajare, Forum In-charge Ms. K.M.Tajne, faculty members of Civil Engineering Department were prominently present on this occasion. The management of LTJSS always supports such activities for the benefit of society. All the forum members of "FORCE" worked hard to make this event successful.

Interdepartmental Cricket Tournament held at PCE (2013-14)

An interdepartmental Cricket Tournament FORCE CUP 2013-14 was organized by Department of Civil Engineering, Priyadarshini College of Engineering, Nagpur.

Total 15 teams participated in this tournament. The tournament was played from 3rd to 12th of February 2014. Final of the tournament was played between Computer Department team and Civil Department Team which was a close affair. Both teams

presented their best skills in the match which made the match a game full of excitement and thrill and Team Computer Department won the match by 8 wickets. This activity was placed under the forum of Civil Engg Dept. by the name of 'FORCE 2013-14' viz. Forum Of Representatives of Civil Engg. in the guidance of Head of the Dept Prof. S A Dhale, Dean Academics Dr. H.V.Hajare, forum incharge Dr. Kiran Tajne and were backed up by the whole staff of Civil Dept. Aditya Andhare, Akshay Bagde, Apoorv Nilakhe, Gaurav Mahakulkar, Akash Jadhao and Piyush Bhange of Department of Civil Engineering worked hard to make this event successful.

Open Football Tournament held at PCE (2013-14)

A three day Open Football Tournament FORCE CUP 2013-14 was organized by Department of Civil Engineering, Priyadarshini College of Engineering, Nagpur.

Total 12 teams participated in this tournament. The tournament was played on 12th,13th and 14th of August 2013. Final of the tournament was played between Joggers Football Club and Team State Reserve Police Force(SRPF), which was a close affair. The score was 0-0 at the end of normal time and then extra time was played. Team SRPF turned out to be the winners, scoring the only goal of the match in the last few minutes of the 2nd half of extra time. Both teams presented their best skills in the match which made the match a game full of excitement.

Dept. by the name of 'FORCE 2013-14' viz. Forum Of Representatives of Civil Engg. in the guidance of Head of the Dept Prof. S A Dhale, forum incharge Prof. Kiran Tajne and were backed up by the whole staff of Civil Dept. Aditya Andhare, Akshay Bagde, Apoorv Nilakhe, Gaurav Mahakulkar and Piyush Bhange of Department of Civil Engineering worked hard to make this event successful.

Guest Lecture by Er. Hitesh Lahoti

Guest Lecture by Er. Hitesh Lahoti was held on 27th August 2013 under student forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur. The programme commenced with lightening the lamp. Er. S.S.Raipure shared his views on 'Structural Analysis & Design of building'. He has introduced various softwares available in the market. In the speech, he has given emphasis on the Stuctural Analysis of various types of buildings using Staadpro.

This activity was placed under the forum of Civil Engg. Dean Academics Dr. H.V.Hajare were present on the dias. The programme was conducted by Mr. Gaurav Mahakulkar and vote of thanks was given by Mr. Apoorv Nilakhe. Forum Incharge Ms.K.M.Tajne, all faculty members & students of Civil Engineering Department were present for the programme..

Guest Lecture by Er. Praful Baid

Guest Lecture by Er. Praful Baid, Astral Informatics (P) Ltd, Nagpur was held on 29th December 2013 under student forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur. Er. Praful Baid shared his views on "Planning of building using software." He has introduced various softwares available in the market. In the speech, he has given emphasis on the planning of various types of buildings using AutoCAD. HOD Civil Engg. Prof S A Dhale, Dean Academics Dr. H.V.Hajare were present on the dias. The programme was conducted by Mr. Apoorv Nilakhe. Forum Incharge Dr.K.M.Tajne and all faculty members.

Guest Lecture by Sameer Alone

Guest Lecture by Prof. Sameer Alone was held on 18th February 2014 under student forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur. Prof. Sameer Alone shared his views on 'Career Opportunities in Civil Engineering'. HOD Civil Engg. Prof S A Dhale, Dean Academics Dr. H.V.Hajare were present on the dias. Students of sixth & eighth semester Civil Engineering have attended the seminar. The programme was conducted by Mr. Gaurav Mahakulkar and vote of thanks was given by Mr. Apoorv Nilakhe. Forum Incharge Ms.K.M.Tajne & all faculty members of Civil Engineering Department were present for the programme..

Guest Lecture by Er. S.S.Raipure

Er. S.S.Raipure, HOD Prof S.A.Dhale, (L to R)

Guest Lecture by Er. S.S.Raipure under student forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur was held on 30th January 2014. The programme commenced with lightening the lamp. Er. S.S.Raipure shared his views on 'Structural Analysis & Design of building'. In the speech, he has given emphasis on the Structural analysis, types of loading and design of various types of buildings. HOD Civil Engg. Prof S A Dhale, Dean Academics Dr. H.V.Hajare were present on the dias. The programme was conducted by Mr. Gaurav Mahakulkar and vote of thanks was given by Mr. Apoorv Nilakhe. Forum Incharge Ms.K.M.Tajne, all faculty members & students of Civil Engineering Department were present for the programme..

Installation of Forum Body of Department of Civil Engineering held at PCE, Nagpur

An installation ceremony of 'FORCE' a student forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur was held on 13th July 2013. The programme commenced with lighting the lamp. The university rankers & College Toppers were felicitated in the programme. Ms. Deyalina Chakraborty was selected as a President of forum, Mr. Mobrur Ahmed as the Vice-President & Mr. Apoorv Nilakhe as the Secretary of the forum. Other members were also installed. Prof. Ms. Kiran Tajne, Incharge of Forum gave the welcome speech. The chief guest Dr. M. P. Singh, Principal, Guest of Honour, Vice Principal & Dean of Faculty of Engg & Technology, RTM Nagpur University Dr. R.V.Kshirsagar, HOD Civil Engg. Prof S A Dhale, Dean Academics Dr. H.V.Hajare congratulated all the newly selected members of the forum & encouraged them for their work ahead. The programme was conducted by Mr. Apoorv Nilakhe & Mr. Akshay Bagde and vote of thanks was given by Ms. Deyalina Chakraborty. All faculty members & students of Civil Engineering Department were present for the program.

Workshop on Staadpro & ETABS (2013-14)

Workshop on Staadpro & ETABS was organized by Department of Civil Engineering, Priyadarshini College of Engineering in collaboration with Civil Engineering Software Academy, Pune. It was ten days workshop and conducted from 5th to 13th February 2014 under the banner of student forum FORCE. Er.Hitesh Lahoti, Director, CESA, Pune explained how to model, analyse & design the different types of structures using softwares Staadpro & Etabs. They have covered concrete structures such as buildings, Steel structures like trusses & towers, earthquake structures etc during this workshop. Students of Final year Civil Engineering have attended this workshop. Some of Faculty members of Civil department also benefited with this workshop.

Teachers Day celebration by Department of Civil Engineering, PCE, Nagpur

Forum Incharge Ms.K.M.Tajne, Mrs. P.S.Bhandari HOD Prof S.A.Dhale, Mr. Krishna Sawde, Dean Academics Dr. H.V.Hajare, Prof. V.S.Ghutke, Ms. V.S.Ganvir (L to R)

Teachers Day celebrated by 'FORCE' a studenf forum of Civil Engg Department of Priyadarshini College of Engineering, Nagpur on 5th Sept 2013. The programme commenced with lighting the lamp. Different cultural activities were arranged for the teachers. Musical chair was the most excited game amongs all. HOD Civil Engg. Prof S A Dhale, Dean Academics Dr. H.V.Hajare & Mr. Krishna Sawde cut the cake. The programme was conducted by Mr. Apoorv Nilakhe and vote of thanks was given by Mr. Gaurav Mahakulkar. All faculty members & students of Civil Engineering Department were present for the program.

Priyadarshini Topped Nagpur University

Priyadarshini Saha Chowdhury, a student of 8th Sem B.E. from Civil Engg. Department, Priyadarshini College of Engineering, Nagpur scored 632 marks out of 700 i.e. 90.29% and aggregate 2470 out of 3000 i.e. 82.63% and bagged FIRST position in RTM Nagpur University Summer-2013 Exam. It is proud to mention here that she has emerged consecutively 6th time in the top ten list of Nagpur University. She gave credit to her Parents, Faculty members of Civil Department & friends.

Principal Dr. M.P. Singh, Vice Principal Dr.R.V. Kshirsagar, Head of Civil Department Prof. S.A. Dhale, Dean Academics Dr. H.V. Hajare, Forum In charge Ms.K.M.Tajne, all faculty members of civil department congratulated her for her success.

Student Articles

The Busy World

One day, a dog is giving a baby. She looks for help but no one there is free. So she died. The dog soul flies out of the body to find help for her baby but every soul there is busy. Then she come back and sees her baby dies. She was crying and crying which made her baby crying and crying. The sound is heard to the god but he doesn't come to see who is crying for help because he too is busy. However, the god's wife wants to help the dogs, yet she is giving a baby

Be Yourself

Some people may say that average is bad. Well, they're very wrong. When is the last time you heard that someone was perfect. Exactly, because no one is. Well, God is. But you're NOT God. Why waste your time on trying to be normal. Different is better. Normal is just boring. "If you're lucky enough to be different, don't ever change." -Taylor Swift. Taylor Swift is very much correct. Some people worry about their popularity. You won't be popular if you aren't for the real you! So, try your best to be you in the future. You won't regret it.

By **Rajesh Ratan Kantishah**

Life

On a cold winter day I decided to walk. I came to a path off of the main road and ventured that way. The landscape became rough, sharp rocks and steep hills. I climbed over dead trees and waded through water. I was cold, cut, and bruised. The obstacles became more sparse as I continued forward. I was ready to give up because I was wet and cold. Then out of nowhere came a meadow. Light was streaming down from the heavens and it had the greenest grass with a beautiful creek and sunflowers. I made it through my journey.

By Pawan baba

Life

Life is so strange
Nothing stays the same
Everything change
But who to blame

Life is like a game
Where you have to lose
Before you can gain
To win you have to face the fearful rain

In Life.. They always say
Don't use your heart
Only use your brain

In life there is love
But the more is hate
No one decide
They all hesitate
And who knows the fate

The closest people you need go away
When you need them the most
You find them lost

Day after day
Days go by
People are born.. and other die

Year after year
No one understands
Nothing is clear
Nothing in our hearts except fear

Today you walk & talk
Tomorrow you lay in your grave
And nothing it gave
The money that you save
And no use of your gold
When it won't be sold

You have to be strong
Stop doing the wrong
And never lie
Be ready for your last goodbye

By Sohail Khan

The Toy Maker and The Bird

Once upon a horse there was a mule. Odd enough the back of his leg there was a bird of prey named Burt. The bird who ruled Estonia, informed the king that toys were no joke. Thus the king sent the royal toymaker to help. Helga, the royal consort was upset that her toymaker was on his way to the Estonia. This mission was dangerous but the toymaker didnt flinch therefore he saved the toys and the mule. Once this occurred he proclaimed happiness for all Estonians and lived among the mules forever. Helga loved the toymaker and never left.

By Pinak Samir

The Sweet Father

Sorry to break this pattern of betrayal, but I really need to be faithful just this once. I ate several whoopie pies that were sitting on the church pew yesterday. I stuffed each pie into my gluttonous frothy maw with fervor unmatched. But still, despite the deliciousness, I feel such remorse that Father Wilkinson worked so diligently and religiously. He is so talented and caring and yet I stole his pies. How do I repent?! I took selfishly and I ate shamefully! Today I have plans to find out where he bakes his sweets and give him a frosting-covered smooch.

FORCE

Schools and Colleges run by LTJSS *Group*

Engineering Colleges

- PCE - Priyadarshini College of Engineering
- PIET - Priyadarshini Institute of Engineering & Technology
- PIGCE - Priyadarshini Indira Gandhi College of Engineering
- PBCE - Priyadarshini Bhagwati College of Engineering
- PJLCE - Priyadarshini J.L College of Engineering
- LTCE - Lokmanya Tilak College of Engineering

Architecture Colleges

- Priyadarshini Institute of Architecture & Design Studies
- Lokmanya Tilak Institute of Architecture & Design Studies

MBA Colleges

- Priyadarshini Lokmanya Tilak Institute of Management Studies & Research

Pharmacy Colleges

- Priyadarshini J.L College of Pharmacy (Degree)
- Priyadarshini J.L.Chaturvedi College of Pharmacy (Diploma)

B.Ed / D.Ed College

- Priyadarshini College of Education (B.Ed)
- Priyadarshini Adhyapak Vidyalaya (D.T.Ed)
- Pallavi College of Diploma in Education

Polytechnic / ITI Colleges

- Priyadarshini Polytechnic
- Bhavani Private Industrial Training Institute

Physical Education Colleges

- Jyotiba College of Physical Education

Schools & Colleges

- Jyotiba High School, Junior College & M.C.V.C
- Bhagwati Girls High School, Jr College & MCVC
- Rajiv Prathmik Shala
- Bhagwati Girls Prathmik Vidyalaya
- Priyadarshini Convent
- Sant Jagnade Prathmik Vidyalaya
- Tilak Prathmik Vidyalaya
- Late Anand Chube Memorial High School
- Sant Jagnade High School
- Pallavi Uccha Prathmik Vidyalaya, Nagpur
- Priyadarshini Nagpur Public School, Nagpur
