Dear Mr Patel,

I am pleased to offer you admission as an international student to the following program(s) at the University of Adelaide:

ACADEMIC PROGRAM

Program (CRICOS Code)	Master of Engineering (Aerospace Engineering) (071199C)
Units of Advanced Standing	Not Applicable
Duration of Program	2 years
Faculty	Engineering, Computer and Mathematical Sciences
Campus	North Terrace
Valid Commencement Date(s)	Semester 1, 2019 - 20 February 2019
Estimated Annual Tuition Fee*	AUD\$42,000
Mode of Study:	Internal
Compulsory Work Component:	Yes

*The quoted fee is the tuition fee for studies undertaken in 2019 based on a full-time enrolment of 24 units. It is reviewed annually and may increase in future years. It will be possible to access the tuition fees for each future year of study in August of the preceding year.

THE 2019 UNIVERSITY OF ADELAIDE GLOBAL CITIZENS SCHOLARSHIP: Congratulations! You will be eligible for a reduction of 15% of the tuition fee for the minimum standard full-time duration of your chosen program if you complete the online questionnaire at <http://choose.adelaide.edu.au/global-citizen>. In order to receive the scholarship you must also accept your offer by the deadline listed on Page 2 or 3 of this offer. For terms and conditions, and information on our other scholarships, please visit www.international.adelaide.edu.au/admissions/scholarships.

TUITION FEES: The majority of the University's programs are offered in semesters, however some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about this program at www.adelaide.edu.au/degree-finder.

STUDENT SERVICES AND AMENITIES FEE: All students are required to pay an annual fee for the provision of essential, non-academic services (see www.adelaide.edu.au/student/finance/ssaf). The 2018 fee is \$298 based on full-time enrolment and is subject to increase annually. Students will be charged for this amount separately, after commencement in their program.

INCIDENTAL FEES: Students may incur additional costs for items such as textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, field trips, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Incidental costs vary between programs. A full schedule of incidental fees can be viewed at www.adelaide.edu.au/student/finance/other-fees/.

ADDITIONAL INFORMATION ABOUT YOUR PROGRAM: Details about professional recognition, bridging programs, textbooks, work placements and other important information that may apply to your academic program is available at www.adelaide.edu.au/degree-finder.

Should you need further assistance, please do not hesitate to contact Admissions Services via email: accept@adelaide.edu.au.

Dear Nimisha:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies' Master of Professional Studies in Informatics with a concentration in Analytics program for the Winter 2019 term with a January start date. Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

- You must submit final official transcripts showing degree conferral and date.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, **please confirm that you plan to attend by completing the enrollment confirmation form.** This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://cps.northeastern.edu/academic-resources/registration/courses>. It is important to note that you are required to follow the program curriculum that is in effect during the Winter 2019 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Winter 2019 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,"
