Dear Sir,

We tender you our gratitude for celebrating International Literacy Day on dated 09/09/2019 with students of Vidya Sadhana Convent. The event including guiding session and drawing competition on topic "Prakruti Hi Jeewan Hai" helped marking the importance of literacy and clean environment among the students and making them aware about the environmental issues, and motivated them to do their share in making the environment more cleaner and beautiful.

We express our sincere appreciation to the National Service Scheme Volunteers for planning and conducting such kind of programs, and tender our best wishes to the unit to carry forward on the way of social service.

Yours sincerely,
