

## **Priyadarshini College of Engineering, Nagpur**

### **Assessment of the learning levels of the students**

#### **Guidelines for identifying bright students**

- Bright students are those students who are ahead on the learning curve and require advanced technical know-how.
- Bright students are identified based on their performance in University Examination of previous semester and internal examinations.

#### **Following Special activities are conducted for Bright students:**

- i) Guiding for career planning.
- ii) Discussion or seminar on the advanced topic
- iii) Guiding and encouraging to communicate research papers in conferences/journals
- iv) Guiding the students for GATE/Competitive Examinations.
- v) Training programs for gaining advanced technical know-how.
- vi) Encouraging to participate in various symposiums like quiz, poster presentation, Conferences, inter institution competition etc.

#### **Guidelines for identifying Weak Students:**

- The connotation of academically Weak Students means those who could not keep pace with the classroom teaching needs extra attention so as to bring such students at par with the rest of the students of the class.
- Weak Students are identified based on their performance in University Examination of previous semester and internal examinations.

#### **Measures taken for improving academic performance of these students**

- (i) Remedial/Extra classes are conducted with appropriate focus on the subject/topic codes in which the students are found to be weak students
- (ii) Individual academic counseling is done by concerned subject teacher .
- (iii) Student help desk.
- (iv) Students study groups are formed for peer-to-peer learning:
- (v) Personal counseling: is done through mentoring scheme (Teacher guardian) scheme which takes care of the students mentors maintain the entire academic record of the student which is also conveyed to the parents time to time by the teacher guardian. Weak students are counseled and motivated by the mentors.
